1 Above, Mumbai

1 ABOVE, Mumbai, rooftop bar, Sumesh Menon, urban oasis by admin

The 1 ABOVE rooftop bar has a sprawling 8000 square-foot-space including an indoor dining space and rooftop lounge. Concocted by Sumesh Menon and his team from Sumesh Menon Associates, the design of the entire space has a swanky, avant-garde look with a synthesis of patterns and textures that dominate the space.

The uber-chic space is masterfully crafted with a selection of diverse materials that seem disparate but yet builds a cohesive design language throughout the space.

Design-wise, the peripheral spaces of the rooftop are strategically lined with raised, plush VIP semi-privates suites, cabanas and intriguingly fashioned enclosures each having a distinctive style of its own. The place is high on energy, while melding sleek, modern features with carefully calibrated concepts of a plush dining and clubbing experience.

The attention to detail can be seen in each corner of the space, the result of which is the gorgeously crafted, luxurious interior. With its divine menu, friendly atmosphere and hip interiors, 1 ABOVE is a chic urban oasis; an ode to trendy nightlife where guests can toast to a fabulous evening atop Mumbai's glittering cityscape.
