*Here’s a golden opportunity to become an elite client of Sumesh Menon Associates. The existing clientele includes Zorawar Kalra, Tham Brothers and also Virat Kohli (for his chain of restaurants) and many others.*

The

Year 2021 brings great hope for all hospitality and bespoke home design businesses but not without its heightened standards of safety guidelines. Sumesh Menon of Sumesh Menon Associates believes that every project must be well-planned, well-built and functionally beautiful. As a renowned one-stop, design practice that caters to clients looking to build and design a luxurious restaurant, villa, corporate office or residential space, the dream team at Sumesh Menon Associates manages every need of conceptual planning and design to its execution.

Following the design philosophy: 'Good Design is Obvious, Great Design is Transparent', there is innovation, research and hard work at the core of Sumesh Menon Associates' success story.

### **THE PATH AHEAD IS LUXURIOUS & FUNCTIONAL:**

Highly recommended and widely appreciated, Sumesh Menon Associates (SMA) is an established Mumbai based top interior design firm. It creates bespoke, modern and chic design concepts. Supported ably by an exceptionally talented team, Sumesh Menon has carved a niche with innovative, structurally efficient creations. Each design beautifully blends style and luxury with comfort and harmonized interior spaces. It's a true delight to witness the grandeur of Sumesh's authentic design craft.

### **AWE-INSPIRING ELITE PORTFOLIO:**

For over a decade, the dream team at Sumesh Menon Associates relentlessly built their residential and hospitality portfolio. It included luxury homes designed in South Africa; string of high-end villas in Dubai along with a strong repertoire of restaurants in Mumbai, Delhi, Kolkata and Pune to New York, Dubai and South Africa. There is impeccable direction to Sumesh's craft – he methodically develops each and every project from concept to post-construction, keeping it in sync with the client's unique vision. Look no further when it comes to integration of bold designs and matchless flair in luxury residential plans, it is truly Sumesh Menon's signature style.

## **AWARDS & ACCOLADES GALORE:**

Interviews, awards and recognition often follow personalities who believe in hard work and grit. Sumesh Menon's portfolio has been a talking point in several leading magazines and online portals. Humbled with a string of awards and accolades, he is considered one amongst India's Top 10 Hospitality Designers. He is part of the coveted list of India's Hot 100 list of Designers. He was felicitated as one of the 'Top 50 Designers' by iGen Awards. He was also awarded as the 'Design Icon of the year (F&B)' by Times Hospitality 2020, Mumbai. The list goes on.

## **DEDICATED TO INNOVATION & DESIGN:**

The Year 2021 has changed the very standard of hospitality interior design norms. Not just commercial projects but also residential designs now are envisioned with extreme luxury and high safety standards. Taking a cue, Sumesh Menon Associates has extensive plans to make the new normal guidelines a reality in the Year 2021 and ahead. The mantra ahead is to be highly innovative. This holds the key to high safety standards that gets beautifully enhanced with an exceptional taste of class.

Under the leadership of Sumesh Menon, the dedicated team of professionals under one roof are highly committed to extending paramount services in architecture, interior designing, project management and consultation. Backed with exhaustive research and sound experience of over a decade in spearheading unique designs and executing challenging projects, Sumesh Menon Associates have been revolutionizing interior design in hospitality projects including the design element of restaurants, nightclubs and popular bars.

## **SUMESSH MENON: THE VISIONARY**

With much humility, Sumesh Menon candidly explains that when they set out to become one of the top designers in interiors and residential space, they knew that just awe-inspiring designs wouldn't take the brand to its pinnacle. To be able to stay ahead, they ensured that would design, engineer and innovate customized solutions to match their clients' requirement and bring about a sense of awe as well. This effort took their brand to the next level. The visionary says that the inspiration for every new residential home design actually lies in the home itself.

Indeed, Sumesh Menon Associates ensure that their designs are at once familiar but also reveal surprises and new interpretations, embracing both the period and the modern. The innovative team stands firm with high level of turn-key service, thereby maintaining elegance in their design process.
